Mapping & Geodata

JUL 11, 2011 BY DANE SPRINGMEYER

Announcing a Virtual Machine for TileMill

Providing easy installation of TileMill on Windows and other operating systems

Easy installation of TileMill, our open source map design studio, is one of the most requested

Mapping & Geodata

JUL 8, 2011 BY NATE SMITH

Enhancing Map Interactivity with Google Charts

Using Google Charts API and TileMill to put charts on the map

Since May TileMill - our open source map design studio - has supported putting interactive
